FUNERAL PLAN

Peace of mind at a difficult time

- The death of a loved one is a very emotional time, often made more stressful by the costs of a funeral and bills to pay.
- Funeral Plan will provide you with the comfort of knowing that you and your family are protected from the added worry of some immediate financial problems.

You choose your level of cover

- Funeral Plan offers cover for \$5,000, \$7,500, \$10,000 or \$15,000 to help your family pay for the unexpected costs of a funeral.
- The cost of an average funeral is hard to estimate as there are variable costs for many of the items normally involved. The best current guide we can give you is that the average cost for a conventional funeral is around \$10,000*, but there are prices advertised ranging from \$3,000 for a very simple funeral to \$15,000 and more.

Why take out a Funeral Plan?

- It gives you and your family peace of mind.
- There's no medical questionnaire to take out cover.
- Affordable premiums and just a 24 month "accident only" wait period for most applications.
