

**FIRST CREDIT UNION
Loan Protection Insurance (LPI)**

IMPORTANT INFORMATION:

Starting and Stopping Cover

Cover can be started at any time if you are aged between 16 and 69 years (inclusive) upon completion and acceptance of the Statement of Insurability and subject to any further evidence of health that may be required. Note: No cover exists until a loan has been advanced by First Credit Union. The Loan Protection Insurance policy only covers loans by First Credit Union for a maximum loan balance of \$100,000 and a maximum loan term of 20 years.

Cover is optional and, if taken, can be stopped by an insured at any time by the insured advising First Credit Union in writing. A claim cannot be made after cover has been stopped.

Cover for an insured can be stopped by First Insurance Ltd if it believes false or misleading material information has been provided when the cover started or a claim is made. All cover stops when the insured dies, reaches 70 years of age, the loan is fully repaid, or the Loan Protection Insurance Group Policy is terminated. Cover can be stopped or changed if the Loan Protection Insurance Group Policy is terminated by First Credit Union, or First Insurance Limited, or altered by First Insurance Limited.

Cover may also stop if the loan agreement is varied. After a claim has been made and accepted for Critical Illness or Bankruptcy, that form of cover stops.

There is a 6 month stand down period for Redundancy cover following each and any Redundancy claim.

Premium

A premium is payable by the insured at the end of each calendar month and is based on the cover type/s selected by the insured, the loan duration and the balance of the insured loan. The premium payable by the insured includes all applicable taxes and commission charged by First Credit Union.

Making a Claim

Contact your First Credit Union branch in person or by phone. You will be asked for some simple details about your claim and an administrator will then contact you directly to seek further information about your claim and explain the documentation required from you and your obligations and entitlements.
