How were your summer holidays? I hope you had fun and are ready for a new school year! Now we are back at school I have decided to set myself some goals. I will share these with you in this newsletter.

Make sure you enter the colouring competition on the back - you could win \$50 for your savings! Wow!

Make sure you bring your school banking to school each week, your savings will grow in no time!

Stay cool super savers!

Be a Super Saver!

The start of the year is a great time to set goals!
Why not set a savings goal, like trying to save \$2 each week with School Banking.

Hey mum,
hey dad...

Why not make next Christmas easier by starting to save now? Our Christmas Club Account is frozen throughout the year, so you won't be tempted to dip into your Christmas savings until it is time to start buying the presents!

Back 2
school!

Did your summer holidays feel like they flew by? Mine did! Have you thought about setting goals for 2013 now you are back at school?

Here are some of my goals for this year:

1. Do school banking each week, even if I only have 20 cents to bank - it all adds up!
2. Go to bed early - I don't have as much fun at school if I am tired!
3. Have healthy lunches - I will try to eat fruit every day.
4. Pack my school bag each night before I go to bed, that way I won't have to do it before school and be late.
5. Do all my homework.
6. Do lots of basketball practice - I want to be able to shoot hoops without missing!

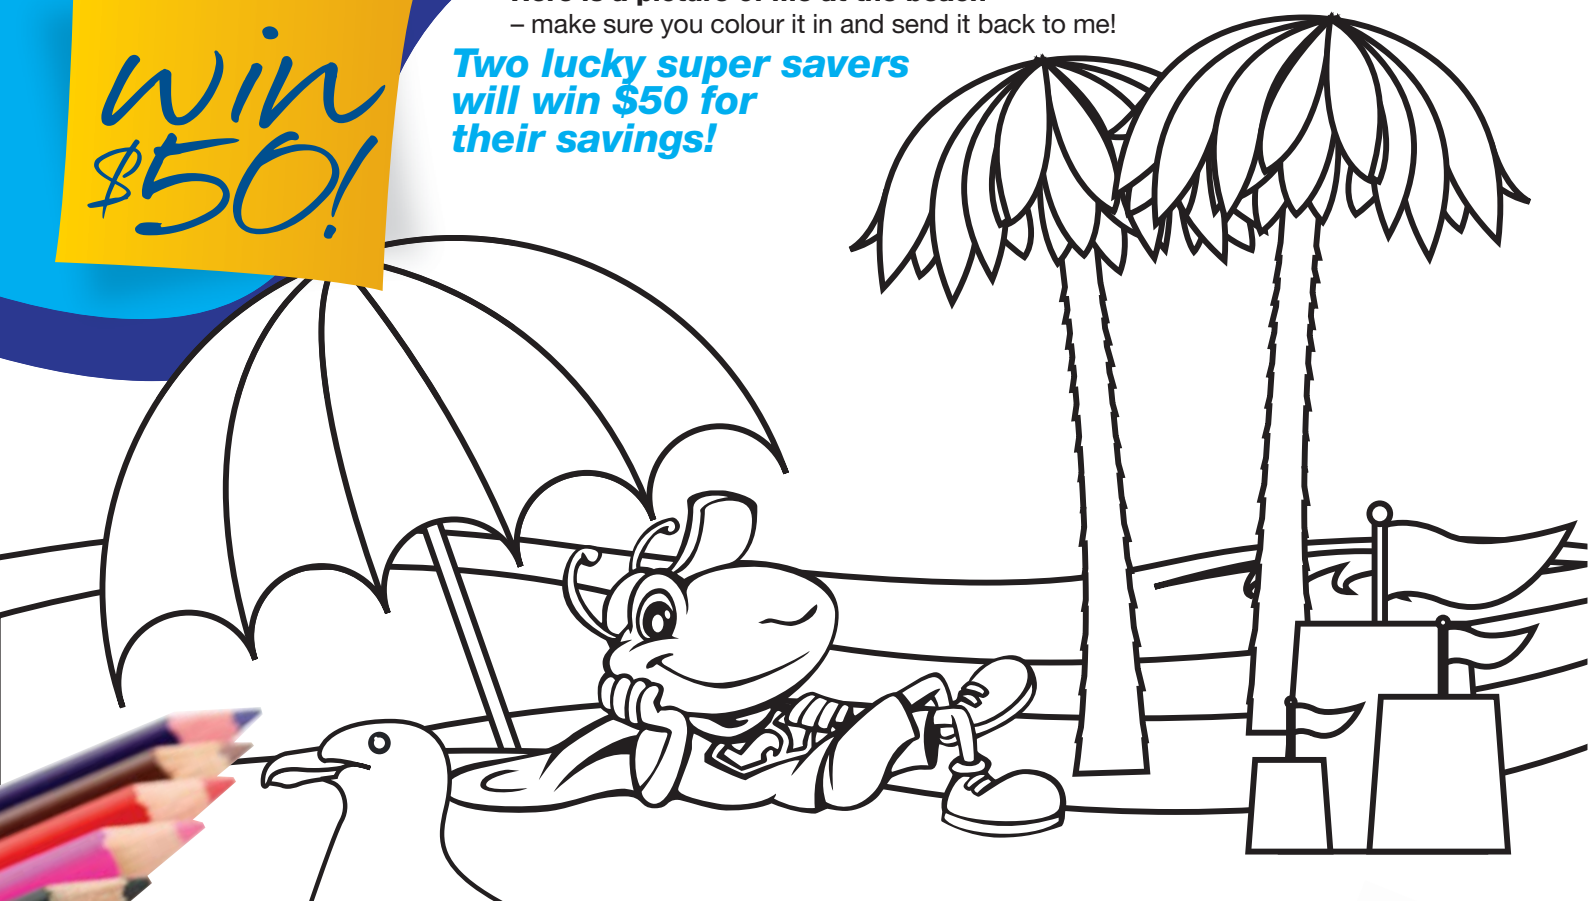

Now it's your turn to set some goals!
