Let's learn about...

Did you know that the kiwi is New Zealand's national bird? That's why it is on our \$1 coin!

Hi kids welcome to kids first

How were your school holidays? I hope you had a great time and are ready for a new school term! Did you know the kiwi is on our \$1 coin? I have been learning about kiwis, in this newsletter I will share some cool facts with you. Enter the colouring competition on the back - you could win \$50 for your savings! Wow!

Don't forget to bring your school banking to school each week - that's the first step to becoming a super saver! Have fun super savers!

Hey mum, hey dad...

Time for a new car?
Broken washing machine?

Whatever the reason, you can apply for a personal loan online and you will have an answer within one business day.*

*Normal lending criteria apply. One business day, provided all necessary information is received.

I think the kiwi is a pretty cool bird, so here are some facts:

- Kiwis can't fly.
- They are nocturnal, which means they sleep during the day and go out searching for food at night.
- Kiwis have a great sense of smell.
- They mainly eat seeds, grubs and worms.
- Kiwis can't see very well, so they find their way around by sense and smell.
- Kiwis have whiskers at the base of their beak - like a cat!

Worms for dinner?
Ewww! No thanks!

Be a Super Saver!

Do you have old toys lying around that you don't use anymore? Ask mum or dad if you can sell them and make some extra money for your savings!
